Stylish, Versatile & Affordable

SignPro Systems (SPS) provides affordable, modular wayfinding signage to the trade. From wall frames to self-standing pylon directories and everything in between, SignPro works with your sign professional to deliver the directional indoor signage you need. The expansive product line includes wall signs, projecting signs, directories, suspended signs, triangular signs, info centers, towers, pylons, desk signs, poster frames and much more. The Sign Maker's Handbook is your guide to a range of well-designed, user-friendly, versatile and highly cost-competitive sign solutions.

SignPro Systems (SPS) recognizes a need for more efficient service and faster delivery at a better price, and you should expect no less from us. SPS is committed to providing affordable solutions and work hand-in-hand with your sign professional to make your project a success, in the fastest possible time.

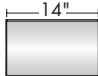

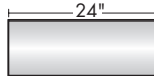

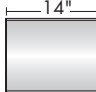

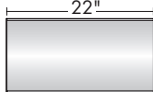

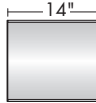

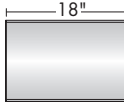

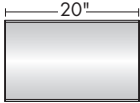

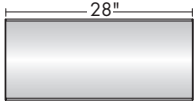

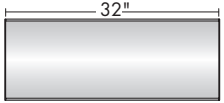

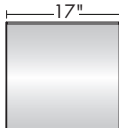

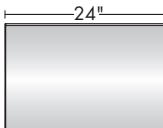

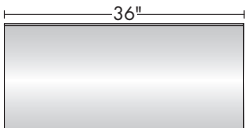

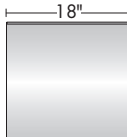

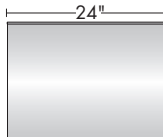

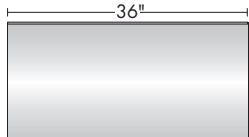

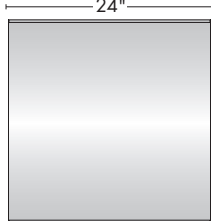

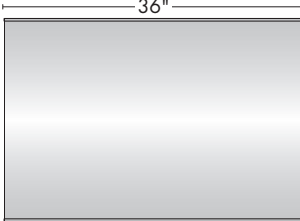

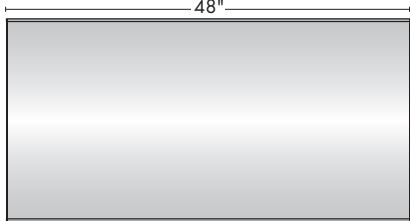

SPS frames can accommodate a multitude of sign substrates and fabrication methods, from printed paper inserts mounted with our protective lens, to laminated prints, cut vinyl, photopolymer, ADA faces, engraved plastics, metal and more. Your sign professional will help you find the products and materials that are right for your project.

The curved, aluminum body is available in anodized silver or powder-coated black finish with your choice of black or gray impact-modified plastic end caps. Comes standard with a clear, non-glare lens, unless otherwise specified. Mounting holes and tape optional. Custom lengths available.

Wayfinding Signage Case Study

Community Bible Church and Christian Academy

photos courtesy of Cold Fire Signs

“The result was quite a success. The signage blends in well with current décor and is clear and direct in guiding guests through our facility.”

Signage Challenge

Community Bible Church and Christian Academy was in need of interior wayfinding signage to guide patrons easily through the facility. The building functions as both a school and church, therefore directional signage is vital to get visitors and patrons to the right place.

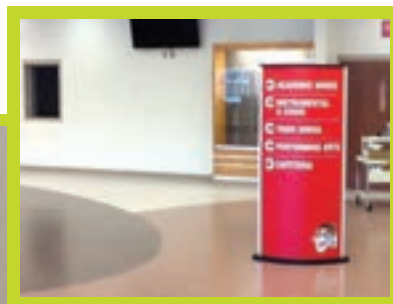

Wayfinding Signage Case Study

North Gibson School Corporation
New Princeton Community High School

Signage Challenge

North Gibson School Corporation was in need of interior wayfinding signage for their high school to guide students, staff, and visitors to the right rooms and destinations.

“The outcome is effective and aesthetically pleasing to everyone who visits. The signage blends well. It directly guides visitors, students and staff to their intended destinations.”

Wayfinding Signage Case Study

Laurel Toyota

“The results were fantastic! The professional staff of graphic designers and installers did a perfect job in all aspects of the project.”

photos courtesy of Minahan Signs

Signage Challenge

Laurel Toyota was in need of directional and wayfinding signage to help clients feel welcome and comfortable navigating through the facility. Toyota was looking for an affordable solution, provided by a local contact they could constantly be in touch with.

Wayfinding Signage Case Study:

Sweet Cece's Frozen Yogurt & Treats

“We needed a quick, simple and cost-effective way to communicate yogurt and topping flavors to customers. The frames are well designed and user-friendly.”

Signage Challenge

Sweet Cece's Frozen Yogurt & Treats was in need of an easy-to-change signage option that identified its frozen yogurt flavors and topping options. As a very customer-oriented company with a friendly atmosphere, Sweet Cece's wanted its customers to feel welcome and comfortable navigating through the creation of their tasty treats.

Trappa Post **NEW!**
TP

Versatile Trappa Posts feature snap sign frames and come in a variety of configurations and sizes. Sturdy aluminum posts and heavy domed steel plate ensure stability. Comes with your choice of silver or black snap frames, large or small, landscape, portrait or diagonal. The front loading graphic mechanism makes graphic changes easy. Includes clear protective lenses. Assembly required.

post connects for quick assembly

Poster Snapper

The Poster Snapper creates a clean, simple, elegant look with hanging clips that feature both a top opening for clear nylon line mount as well as a recessed pocket for S-hook suspension.

The adjustable hanging clips slide along the top rail to match your desired spacing. Rails snap open and shut for quick graphic changes. Comes in four different standard widths:

24", 30", 36" and 48".

Custom cut width available up to 60".

hanging options:

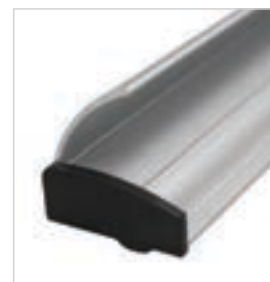

nylon line

S-hook

snap graphic rail for easy change-out

snap rail

Trappa Custom

TRP-CUSTOM

The Trappa Poster Frame offers a simple, elegant snap rail solution for your custom-sized needs. It combines two custom-length spring-loaded snap rails with a backer and a clear non-glare protective lens, allowing you to mount your custom sized print to a wall just by inserting the poster and snapping the edges shut. Rails, backer and lens are cut to size, depending on your graphic dimensions and desired rail length.
